

LUISA and BRAIDING in the Divine Will

V3 – 1.12.00 – “Oh daughter (Luisa), here is the Immense difference between My Humility and the humility of creatures, even that of all of My Saints, which is only a shadow in the face of Mine; because the creature is always a creature and does not Know, as I (God) Know, how Great is the weight of sin. Even though Heroic souls, following My example, have offered themselves to suffer the pains of others, their pains are not different from those of the other creatures; they are not New Things for them, because they are made of the same clay. Moreover, the mere thought that those pains are the cause of New Gains, and that they Glorify God, is a Great Honor for them. Furthermore, the creature is restricted within the circle in which God placed her, and she cannot go out of those limits within which she has been circumscribed by God. Oh, if it were in their Power to do or undo things, how many other things they would do - everyone would reach the stars! But My Divinized Humanity had no limits, yet It Voluntarily Constrained Itself within Itself; and this was the **BRAIDING** of all My Divine Works with Heroic Humility.

This had been the cause of all evils which inundate the earth – lack of Humility; and by exercising this Virtue, I (God) was to draw all Goods from Divine Justice. Ah, yes, no concessions of Graces come from My Throne, if not by means of Humility, nor can any ticket be received by Me, if it does not carry the signature of Humility. No prayer is listened to by My Ears, and moves My Heart to Compassion, if it is not Perfumed by the Fragrance of Humility. If the creature does not arrive at destroying that seed of honor, of esteem – and this can be destroyed by arriving at Loving to be despised, humiliated, confused – she will feel a **BRAIDING** of thorns around her heart; she will feel a Void in her heart which will always bother her, and will render her very dissimilar from My Most Holy Humanity. If she does not arrive at Loving humiliations, at the most she will be able to Know herself a little bit, but will not Shine before Me, Clothed with the Garment of Humility, Beautiful and Worthy of Sympathy.”

“...Ah, yes, Humility draws Grace; Humility breaks the strongest chains, which are sin. Humility surmounts any wall of division between the soul and God, and brings her back to Him. Humility is a little plant, but always green and flowery, not subject to being gnawed by worms; nor will winds, hail or heat be able to do harm to it, or make it wither, even slightly. Though being the littlest plant, Humility produces very High Branches, which Penetrate even into Heaven, **BRAIDING** around the Heart of Our Lord; and only the Branches which come from this plant have free access into that Adorable Heart.

V11 – Good-bye in the Evening to Jesus in the Blessed Sacrament – “O (Jesus) Dear Prisoner of Love, Bind me with Your Chains, Seal me with Your Love. Please, Show me Your Beautiful Face. O Jesus, how Beautiful You are! Your Blond Hair **BRAIDS** and Sanctifies all my thoughts; Your calm Forehead, even in the midst of many insults, Gives me Peace and puts me in perfect calm, even among the greatest storms, my privations of You, and Your Fusses, which cost me my life.

V12 - 1.24.21 - Could I (Luisa) ever face the Multiplicity and Infinity of the FIAT of Creation and of Redemption? Since my FIAT is similar to the other Two FIATs (of Jesus and Mary,) I must run together with them, Multiply myself with them, do the Good which they do, **BRAID** myself with them... Jesus, think of what You are doing! I am not for this very much.' But who can tell all the nonsense that I was saying?

Now, my Sweet Jesus came back and told me: "My daughter(Luisa), calm yourself - I (God) choose whomever I (God) please. However, know that I begin all of My Works between Myself and one creature; and then they are spread. In fact, who was the First Spectator of the FIAT of My Creation? Adam, and then Eve. It surely wasn't a multitude of people. Only after years and years did crowds and multitudes of people become spectators of It. In the Second FIAT My Mama (Mary) was the only spectator; not even Saint Joseph knew anything, and My Mama found Herself more than in your condition: the Greatness of the Creative Power of My Work which She felt within Herself was such that, confused, She did not feel the Strength to mention it to anyone. And if, then, Saint Joseph knew it, it was because I Manifested it to him. So, this FIAT Germinated like a Seed within Her Virginal Womb; the Ear of Grain was Formed in order to Multiply It, and then It came to the Light of day. But who were the spectators? Very few. In the room of Nazareth My Dear Mama and Saint Joseph were the only Spectators. Then, when My Most Holy Humanity grew up, I went out and I made Myself Known - but not to all. Afterwards, It spread more, and It will still spread.

So will the Third FIAT be. It will Germinate within you (Luisa); the Ear of Grain will be Formed; only the priest will have Knowledge of It. Then, a few souls - and then, It will spread. It will spread, and will follow the same path as Creation and Redemption. The more crushed you feel, the more the Ear of the Third FIAT Grows and is Fecundated in you (Luisa.) Therefore, be attentive and faithful."

V14 - 3.28.22 - Continuing in my usual state, I was Fusing all of myself in the Holy Divine Will of my Lovable Jesus; and He told me: "(Luisa) Daughter of My Divine Will, if you Knew the Portents, the Prodigies that occur when you Fuse yourself in My Divine Will, you would be stupefied. Listen a bit: all that I (Jesus) did upon earth is in continuous Act of Giving itself to man, surrounding him like a crown. My Thoughts Form a Crown around the intelligence of the creature; my Words, My Works, My Steps, etc., Form a Crown around her words, works and steps, so that, by **BRAIDING** her things with Mine, I may say to My Celestial Father that her works are like Mine.

Now, who takes this continuous attitude of Mine? Who lets herself be **BRAIDED** by My Works, with which I Crowned the whole human family? (Luisa) the one who Lives in My Divine Will. As you were Fusing your thoughts in My Volition, My Thoughts which surrounded you like a Crown heard the Echo of My Thoughts in your mind, and identifying themselves with yours, they Multiplied yours with Mine, and Formed a Double Crown around the human intelligence. And My Celestial Father Received, not only from Me, but also from you, Divine Glory on the part of all created intelligences; the same with words and with all the rest. And He Receives this Divine Glory not only from the creatures, but from all

other created things, because all things were created to make continuous Love run toward man, and man, by Justice, should give Homage and Love to his Creator for each created thing.

Now, who Compensates for this? Who Makes that FIAT, through which all things were made, her own, so as to Spread Homage, Adoration, Divine Love for her Creator over everything? (Luisa) the one who Lives in My Divine Will! She makes that Omnipotent FIAT her own almost at each word of hers. The Echo of the Eternal FIAT Echoes within her Divine FIAT in which she Lives, and it Spreads, it Runs – it Flies, impressing another FIAT on each created thing, and Giving Back to her Creator the Homage and the Love wanted by Him.

V14 – 8.12.22 - "My daughter, courage, I AM here for You, what do you fear? Have I perhaps failed you? And if at any cost you do not feel like moving the slightest from My Divine Will, much less do I feel like not being with you, as Life of each act and pain of yours. Now, You Must Know that My Divine Will is Most Pure Gold. And so that the thread of your human will may become of Most Pure Gold - in Such a Way that, as the thread of your human will is **BRAIDED** with Mine, that which is yours and that which is Mine may not be distinguished - it takes only sacrifice and pains. Consuming the thread of your human will, they substitute it with the Golden Divine Thread which, Identifying itself with Mine, Forms One Single Thread, and **BRAIDING** the Great Wheel of Eternity, Extends everywhere and finds itself in every place.

But if My Divine Will is Gold and yours is iron, you will remain behind, and Mine will not lower Itself to be **BRAIDED** with yours. If you take two objects of gold, though each one may have its own different shape, by melting them, you will be able to form one single object, and would no longer be able to discern the gold of one from that of the other. But if one object is of gold and the other of iron, one will not stick to the other, and it will be impossible to form one single object. So, only Sacrifice changes the nature of the human will.

Sacrifice is the Burning Fire that Melts and Consumes. Sacrifice is Sacred, and has the Virtue of Consecrating the Divine Will in the human will. Sacrifice is Grace, and with Its skillful Brush It Impresses the Divine Shape and Features. Here is the Reason for the increasing of your Sufferings: these are the Final Brush Strokes which are Needed in order to Produce the Final Extension and **BRAIDING** of your human will in Mine."

V15 – 3.23.23 - "My daughter, I was the First King of Sorrows, and being Man and God, I had to Centralize everything within Me in order to have Primacy over everything, even over sorrows. Those of My Mama were nothing other than the Reverberations of Mine which, being Reflected in Her, made Her share in all My Sorrows which, piercing Her, filled Her with such bitterness and pain that She felt Herself dying at each Reverberation of My Sorrows. But Love Sustained Her and gave Her Life again. Therefore, not only for Honor, but also by Right of Justice, She was the first Queen of the Immense Sea of Her Sorrows." While He was saying this, I seemed to see My Mama (Mary) in front of Jesus, and everything that Jesus contained, the Sorrows and the Piercings of that Most Holy Heart, were Reflected in the Heart of the Sorrowful Queen. At those Reflections, many Swords Formed in the Heart of the Pierced Mama; and these Swords were Marked by a Fiat of Light,

in which She was Circumfused, in the Midst of so many Fiats of Most Refulgent Light which Gave Her So Much Glory that there are no words to narrate it.

Then, Jesus continued, saying: "It was not the Sorrows that Constituted My Mama as Queen and made Her Shine with so much Glory, but it was My Omnipotent Fiat, which was **BRAIDED** to Her every Act and Sorrow, and Constituted Itself Life of each of Her Sorrows. So, My Fiat was the First Act that Formed the Sword, Giving Her the Intensity of Pain It Wanted. My Fiat could place all the Sorrows It Wanted in that Pierced Heart, adding Piercings upon Piercings, Pains upon Pains, without a shadow of the slightest resistance. On the contrary, She felt Honored that My Fiat would Constitute Itself Life of even a heartbeat of Hers; and My Fiat Gave Her Complete Glory and Constituted Her True and Legitimate Queen.

Now, who will be the souls in whom I can Reflect the Reverberations of My Sorrows and of My very Life? Those (linked to Luisa) who will have My Fiat as Life. This Fiat will make them Absorb My Reflections, and I will be Generous in sharing with them that which My Divine Will Operates in Me. Therefore, in My Divine Will do I await souls, to Give them the True Dominion and the Complete Glory of each act and pain that they may suffer. The operating and suffering outside of My Divine Will I do not recognize; I could say: 'I have nothing to Give you; what is the will that animated you in doing and suffering this? Get your reward from that one.' Many times, doing good or suffering, if My Divine Will is not present in them, can be miserable slaveries which degenerate into passions, while it is My Divine Will Alone that Gives True Dominion, True Virtues, True Glory, such as to Transform the human into Divine."

V16 - 11.28.23 - "If I (Jesus) wanted to Tell you about the Cross which My Divine Will Gave Me, I should **BRAID** all the acts of the creatures, make them present to you, and let you find out for yourself how the Divine Will, Demanding Fair Satisfaction, inflicted on Me Cross upon Cross. Was it perhaps not a human will to offend the Divine and to break up with It? So now, a Divine Will had to Crucify and Grieve My human nature and will. All the rest of man can be called superficial; the source, the root, the substance of either evil or good is in the depth of his will. Therefore, only the Divine Will could make Me Expiate the evil of so many human wills.

This is why I (God) want you (Luisa) all in My Divine Will - to make Known what this Divine Will has done, what It made Me suffer, and what It wants to do. And this is why you are marked with many Crosses of Light - because your cross has been My Divine Will, which has changed everything into Light to dispose you to be the true Newborn of My Divine Will, to whom I will Entrust the Secrets, the Joys and the Pains of It as to a faithful daughter, who, Uniting to My Acts, may open the Heavens to make It descend upon earth, and to make It Known, Received and Loved."

V16 - 12.4.23 - I was thinking about what I am writing on the Most Holy Divine Will of my Sweet Jesus. The fact that blessed Jesus wants to Say many sublime things about His Holy Will is Right, because anything which can be said about It - Its Height, Its Greatness, Its

Prodigies etc. - is all Good; even more, everything is little compared to what could be said. But always **BRAIDING** this poor soul of mine with It – this should not be in there. It is His Will what He should Make Known, not me. My poor person should not exist; more so, since this whole thing is His, not mine. To me, there is nothing left but the confusion of what He Tells me. But in spite of this, Obedience Forces me to write, not only on the Divine Will, but also on the **BRAIDING** He Makes between me and His Divine Will...

Now, while I was thinking about this, my Sweet Jesus came out from within my interior, and Squeezing me to Himself, told me: "My daughter (Luisa), you are always My Newborn of My Divine Will; and then, you are wrong. You want Me to Speak about My Divine Will and to Make It Known; and (you, Luisa) the one who has to be the Channel, the Spokesperson, the Instrument to Make It Known should not exist? If this thing were to remain between Me and you, maybe it could work, but since I (God) Want My Divine Will to have Its Kingdom - and the Kingdom cannot be Formed only with one person, but with many people and of different conditions - it is therefore Necessary that not only My Divine Will, the Goods It Contains, the Nobility of those who will Want to Live in this Kingdom, the Good, the Happiness, the Order, the Harmony which everyone shall Possess, be Known, but also (Luisa) the one whom My Goodness has chosen as Origin and Beginning of such a Great Good.

By **BRAIDING** you (Luisa) together with My Divine Will, by Raising you (Luisa) above all the things of Creation, I (God) do nothing other than Give More Importance to My Divine Will, Raising It More, and Giving It More Weight. The More a King is Good – Holier, Richer, more Generous, more Loving than His subjects, to the extent of placing His Own Life rather than allowing one who Lives in his Kingdom to be touched – the more that Kingdom is Esteemed and Loved, arousing in all the Desire to Live in that Kingdom. Even more, they compete with each other to see who would obtain such a Fortune. Therefore, the Good functioning of the Kingdom and its importance derive from the Knowledge of the King. By saying that you do not want to be **BRAIDED** with My Divine Will, you would want the Kingdom without King, the Science without Master, the Possessions without Owner... What would happen to this Kingdom, to this Science, to these Possessions? How many disorders, how much ruin, would not occur? And I (God) do not know how to do disordered things; on the contrary, the First Thing in Me is Order.

See, this would have happened in Redemption if My Dear Mama had not Wanted to make Known that She was My Mother, that She had Conceived Me in her Virginal Womb, and that She Nourished Me with Her Milk. My Coming upon earth would seem Incredible, and no one would have been moved to believe and to take the Goods contained in Redemption. Instead, Thanks to the Fact that My Mother Made Known who She was – (Mary) the One who is exempt from every stain, also of Origin; a Prodigy of Grace - and how She Loved all creatures as tender children, and for Love of them She Sacrificed the Life of her Son and God – Redemption Received Greater Importance and became more accessible to the human mind, Forming the Kingdom of Redemption with Its copious Effects. So, **BRAIDING** My Mother with the Work of Redemption was nothing other than Giving More Importance to the Great Good which I came to do upon earth. Having to be visible to all,

taking on human flesh, I had to use a creature of the human race, whom I had to exalt above all, in order to accomplish My High Designs.

Now, if this happened in Order to Form the Kingdom of My Redemption upon earth, *in the same way*, having to Form the Kingdom of My Divine Will, it is Necessary that another creature (Luisa) be Known, in whom the True Reigning of My Divine Will Must have Its Origin and Beginning; as well as who she is, how Much I (God) Loved her, how Much I (God) kept her sacrificed for all and for each one...; in a Word – Everything which My Divine Will has disposed and poured into her. But by **BRAIDING** you (Luisa), it is Always My Divine Will that stands out. These are Ways and Means in order to Make It Known; these are Attractions, Spurs, Lights, Magnets in order to draw everyone to come to Live in this Kingdom of Happiness, of Grace, of Peace, of Love. Therefore, let your Jesus do, who Loves you (Luisa) very much, and do not want to afflict yourself, and even less be concerned about the way I (God) carry out the **BRAIDING** of My Divine Will with you. Think only about continuing your Flight in the Eternal Boundaries of My Supreme Volition."

V17 - 5.1.25 - "When an Office is Unique, as a consequence, nothing must escape the one who has it as Mission. He must have everything under his eyes, so as to be able to offer the good he possesses; he must be like a True Sun that can Give Light to all. So were I, and My Celestial Mama.

Now, your Mission (Luisa) of Making Known the Eternal Will is **BRAIDED** with Mine and with that of My dear Mother. And since it has to serve for the Good of all, it was necessary to Centralize the Eternal Sun of My Divine Will into one creature (Luisa); so that, as a Unique Mission, this Sun might let Its Rays Blaze from her(Luisa), and all might take the Good of Its Light. This implies that, for the Decorum and Honor of My Divine Will, I had to pour into you (Luisa), as Bearers and Preparations, such Graces, Light, Love and Knowledge of It, as to befit the Residence of the Sun of My Divine Will. Even more, You Must Know that, just as My Humanity, in Its Office of Redeemer, Conceived all souls, *the same was to happen in you*(Luisa), in your Mission and Office to Make My Divine Will Known and Reign: as you continue to do your acts in My Divine Will for all, all creatures remain Conceived in your human will; and as you keep Repeating your acts in Mine, you Form many sips of Life of Divine Will, in order to be able to Nourish *all the creatures* which are as though Conceived in yours, by Virtue of My Divine Will. Do you not feel how, in My Divine Will, *you embrace all*, from the first to the last creature which is to exist upon earth; and for all, you would want to Satisfy, Love, Please this Supreme Will, Binding It to all, removing all obstacles that prevent Its Dominion in the creatures - Making It Known to all; and even with sufferings, you expose yourself to Satisfy for all, this Supreme Will, which So Much Loves to be Known and to Reign in the midst of creatures?

To you (Luisa), Firstborn Daughter of my Divine Will, it is Given to Make Known the Qualities, the Value, the Good It contains, and Its Eternal Sorrow of Living unknown - hidden, in the midst of the human generations; Even More, despised and offended by the evil ones, and placed by the good ones at the level of the other Virtues, as if It were a little

light which is lit by men - as Virtues are in comparison with My Divine Will - and not the Eternal Sun that My Divine Will is.

The Mission of My Divine Will is the Greatest that can exist: there is no Good which does not descend from It; there is no Glory which does not come from It. Everything is Centered in It: Our interior Works and those which We have delivered; the Creation of the Angels, of the world, of men; all Virtues, all Merits, all Predestinations, all Goods, all the Glory of the chosen ones, all the Mysteries of the Infinite Love, which are still unknown to man; and the past, the present, the future – all in one Act and in act, and in one single point.

Therefore, be attentive, and do not want to waste time with doubts or uncertainties. Everything I told you for this Mission was Necessary - not for you, but for the Honor, the Glory, the Knowledge and the Sanctity of My Divine Will and of Its Dominion in the creatures. And since My Divine Will is One, one (Luisa) was to be the creature to whom I had to Entrust It, and through whom It would Make Its Rays Blaze, to do Good to all."

V22 – 6.17.27 - After this, I found myself outside of myself, and while looking for my Sweet Jesus I encountered Father Di Francia. He was all cheerful, and he told me: "Do you know how many Beautiful Surprises I Found? I did not think it would be so when I was on earth, though I thought I had done Good by publishing the *Hours of the Passion*. But the Surprises I Found are Marvelous, Enchanting, of a Rarity Never Before Seen: all the Words regarding the Passion of Our Lord changed into Light, one more Beautiful than the other—all **MBRAIDED** together; and these Lights Grow More and More as creatures do the *Hours of the Passion*, so More Lights add to the first.

"But what surprised me the Most were the few sayings published by me about the Divine Will: each saying Changed into a Sun, and these Suns, Investing all the Lights with their Rays, form Such a Surprise of Beauty that one remains Enraptured, Enchanted. You cannot imagine how Surprised I was at Seeing myself in the midst of these Lights and these Suns—how content I was; and I Thanked our Highest Good, Jesus, who had Given me the Occasion and the Grace to do it. You too, thank Him on my behalf."

V22 – 6.26.27 - "My daughter, in Our Things there is Perfect and Equal Measure of Everything. So, as Much as is the Love, the Heat, the Light, so Much is the Freshness, the Beauty, the Power, the Sweetness, etc. One is the Weight of Everything, and therefore Heat is Nourished by Freshness, and Freshness by Heat; Light is Nourished by Beauty, and Beauty Nourishes Light, in such a way that one Tempers the other. Strength Nourishes Sweetness, and Sweetness, Strength, and so with all the rest of Our Divine Things, in such a way that each of them Makes Us Happy.

"By themselves, Our Qualities would oppress Us, but, together, being in Perfect Equality, they serve Us as Happiness, as Joys and as Contentments, and they all compete to Make Us Happy. Heat brings Us the Happiness of Love, and Freshness brings Us the Joys of what is Beautiful, of what is Fresh. Light brings Us the Joy of Light, and Beauty, tempering the Vividness of Light, brings Us the Happiness of what is Beautiful, Good, Holy, Immense; it **BRAIDS** all of Our Qualities and renders them all Beautiful, Lovable and Admirable for Us.

Strength brings Us the Happiness of the Strong, and Sweetness, invading it completely, brings Us the Joys mixed with Sweetness and Strength. And everything that can be seen in Creation is nothing other than Outpourings of the abundance of Light, of Heat, of Freshness, Beauty and Strength that We Possess within Ourselves; and these Outpourings were released by Us in order to Nourish and Delight the creatures with Our Own Outpourings, in such a way as to render them Happy; and by dint of Nourishing themselves with Our Qualities, creatures would become Similar to Us, and would be Bearers of Happiness and of Joys to their Creator.

V24 - 5.26.28 - “ By Forming, Myself, the ‘Our Father,’ I (Jesus) placed Myself at the Head of it and took on the Commitment to Give this Kingdom; and by Teaching it to My Apostles, I placed in the creatures the Order of how to be able to obtain a Good so Great. So, the whole Church is praying—there is not one soul who belongs to Her that does not recite the ‘Our Father.’

“And even though many recite it without interest in wanting and asking for a Kingdom so Holy—that the Divine Will be done on earth as It is in Heaven—since the Interest is in He who taught it, by their reciting it, My interest is Renewed, and I hear My Own Prayer asking: ‘May Your Kingdom come, so that Your Will be done on earth as It is in Heaven.’ However, if the creature, in reciting the ‘Our Father,’ had this interest of wanting and longing for My Kingdom, she would take part in My Own Interest, and her will would be Fused in Mine for the same Purpose. But, regardless of this, My Divine Will and Interest always run in each ‘Our Father.’

“See then, the Divine Order: all asking for One Thing. Among these who ask there are some who want to do My Divine Will, others who do It. All this is **BRAIDED** together, and they knock at the Doors of My Divine Will—they repeat the knocking, and some knock strongly, some slowly. However, there is always someone who knocks and asks that the Doors be opened, so that My Divine Will may Descend to Reign upon earth. And since everything is Established and Ordered by the Divinity, It awaits (Luisa) the one who Must Give the Strongest Knock, who, Forcing the Doors with Invincible Strength—the very Strength of My Divine Will—will Open Wide the Doors, and with her sweet Chains of Love will bind the Eternal Will to Make It Come to Reign in the midst of creatures. She (Luisa) will be like a bride who, bejeweling the groom with her Loving Chains, will carry him as though in Triumph into the midst of creatures. And just as the Holy Virgin Mary put an end to the night hours of the Patriarchs and Prophets, and Formed the Dawn to make the Sun of the Eternal Word Rise, so will this one (Luisa) Form the Dawn to make Rise the Sun of the *Fiat Voluntas Tua* on earth as It is in Heaven.

V24 - 5.30.28 - “So I did with man(Adam): I (God) Gave him all My Riches as Gift, and he, like a little child, was incapable of taking them all; and playing with him, I would say to him: ‘Take—take, My son. Take much—take everything if you can; the More you Take, the More I will Enjoy and Make Feast.’

“Am I not doing this with you (Luisa), to the point of Wanting to Give you the Kingdom of My Divine Will? This is why I make you Make your Round in the whole Creation, in the Works of My Redemption, nor do I deprive you of the Dominions of the Sovereign Queen of Heaven. And while you make your Round through Our Works and Dominions, I keep Whispering to your ear: ‘Take whatever you want, My little daughter (Luisa).’ And to Give you the Right to it, I have you Mark all of Our Works and Our Dominions with your ‘I Love You’; and in this ‘I Love You’ of yours that repeats its refrain, ‘Give me Your Divine Fiat,’ it seems that ‘Fiat’ and ‘I Love You’ are **BRAIDED** together. And I, Knowing that what you Want and ask for is the Greatest Thing, and a Divine Kingdom in which, not only you, but all those who will be in this Kingdom, may all be kings and queens....

V24 - 9.2.28 - “My two Mamas—My Mama Mary and (Luisa) the little daughter of My Divine Will. My Divine Will Unites them together for Me, and makes them both be My Mama.

“Why is the Celestial Queen My True Mother? Because She Possessed the Life of My Divine Fiat. It alone could Administer to Her the Seed of Divine Fecundity, to make Me be Conceived in Her Womb and make Me Her Son. So, without My Divine Will, in no way could She be My Mama, because no one else, either in Heaven or on earth, Possesses this Seed of the Divine Fecundity, that can do no less than make the Creator be Conceived in the creature. See, then: My Divine Will Formed the Mama for Me, and I made Myself Her Son; now It is Forming for Me Its little daughter (Luisa) as My mama, and It makes Me find her near My First Mother so as to make her (Luisa) repeat Her Acts, **BRAIDING** them together, and to make her Impetrate Its Kingdom, and therefore make her repeat Its Divine Seed and the Fecundity of the *Fiat Voluntas Tua* in the creatures. My Divine Will alone can do everything and can Give Me Everything.”

Then, closing His eyes to sleep, while sleeping, He repeated: “My two Mamas, My two Mamas.”

How tender and moving it was to hear Him. How it wounded the heart to see Him interrupt His sleep to say: “My two Mamas.” Oh! Divine Will, how Lovable, Powerful and Admirable You are. O please! Descend into the hearts of all, and place in them this Divine Seed of Yours, so that Its Fecund Seed may Form for You Your Kingdom and make You Reign on earth as You do in Heaven.

V25 - 1.1.29 - “My daughter, each Manifestation I (God) have given you (Luisa) about My Divine Will is like a Page of your life; and if you Knew how many Goods these Pages enclose.... Each of them is a Current between Heaven and earth; it is one more sun that will shine over the heads of all. These Pages will be the Heralds of the Celestial Fatherland; they are Steps that My Divine Volition takes in order to draw near the creatures. Therefore, these Manifestations about It, like Pages of Life, will Form an Epoch for the future generations, in which they will read the Kingdom of My Fiat, the many Steps It took to come into their midst, and the New Rights It gave them to Make them Enter Again into Its Kingdom.

“My Manifestations are Decrees, and only when I Want to Give that Good that I Manifest, then do I Move to Manifest a Knowledge. Therefore, everything I (God) have told

you (Luisa) about My Divine Will are Divine Capitals that I issued; therefore, they will be the Most Beautiful Pages of your life, that will enclose the long History of My Divine Will, and **BRAIDING** the history of the world, will Form the Most Beautiful Epoch of all centuries.”

V30 - 1.17.32 - “Blessed daughter, My Acts and those of My Queen Mama, Our Love, Our Sanctity, are in Act of Continuous Waiting, to enclose your acts in-between Our Own, so as to Give them the Shape of Our Acts and place the Seal of Our Own upon your acts. In fact, You Must Know that the Acts of the Sovereign Queen of Heaven are **BRAIDED** with My Acts, therefore they are Inseparable, and one (Luisa and the souls linked to Luisa) who Lives in Our Divine Volition comes to Operate in the middle of Our **BRAIDING**, and her acts remain enclosed in-between Our Acts, which keep them in custody as Triumph and Works of the Holy Fiat.

“Nothing enters into Our Acts if it is not a Birth from It. See, then, where the Sanctity of one who Lives in Our Will is Formed—in the middle of Our Sanctity; she loves in the center of Our Love, and operates in the midst of Our Works. So, one who operates in Our Volition will Feel, as though in her nature, the inseparability—she from Our Acts, and We Form her own, just as the Light is Inseparable from the Heat, and the Heat from the Light. And therefore they are Our Continuous Triumph, Our Glory, Our Victory over the human will; they are Our Divine Properties, that We Form in her, and she Forms in Us. The human volition and the Divine Volition Kiss each other continuously, they Fuse Together; and God carries out His Life in the creature, and she carries out her life in God.

V30 - 6.29.32 - Then, my mind continues to wander within that Fiat that Wants to always Give Itself to the creature, and while It Gives, It never stops Giving. And my Sweet Jesus added: “My daughter, the human will is the fount and substance of the life of the creature; from it she draws the life of her works, the thoughts of her mind, the variety and multiplicity of her words. If the human life did not have a free will, it would be a life without fount and without substance; so, it would lose all the beauty, the strikingness, the admirable **BRAIDING** that the human life can weave.

“The same for the Divine Will: wherever It Reigns It makes Itself Fount, Substance and Life of the Acts done in It. So, as the creature thinks, speaks, operates, walks, this Fount diffuses in her acts and places in them the Divine Substance. And, O! the variety of these acts distinct among themselves in Sanctity, in Beauty, in Light, in Love—when this Fount diffuses in her acts, It does always New Acts and Forms the Harmony of the Divine Operating in the creature. Now, You Must Know that all Our Care is for these acts because in them is Formed the Generation of Our Divine Acts in the depth of the creature. And, O! Our Contentment, for We can continue the Generation of Our Acts—and in this Generation We feel Ourselves the God Operating, not the God hindered, unable to carry out the Generation of Our Acts because Our Divine Will is not there in the creature.

V31 - 11.6.32 - “With Its Power, My same ‘Fiat’ Bound Me in My Works and I remained inseparable from them. Everything is in pronouncing My Frst ‘Fiat,’ to Give My First

Lessons, to deposit in the soul the Power and Work of My 'Fiat.' And when I have begun, I can say I won't stop again until the Work is Complete. What would you have said if I had made Creation only halfway? It would not have been a Work Worthy of Me, nor an Exuberant Love of Mine. Therefore one 'Fiat' Draws Me, and another Enraptures Me; it Forms the Void in the creature for where to place the Order and the Harmony of My Operating 'Fiat.' It disposes her and imposes Itself over Me to Make Me Give other Lessons so as to be able to Form many Acts together, that, united among themselves, Form the New more Beautiful Creation, more artful than the machine of the universe, that must serve for the Kingdom of My same Will. Therefore every Word of Mine is a Work, it is one more outlet of Love, it is putting an end to My First Begun 'Fiat.' Giving each other a hand, the First and Last that will be Pronounced, they will Form the **BRAIDING** of the New Creation of My Kingdom in the depth of the soul, that, transmitted to posterity will be bearer of more than the universe itself of Goods, of Sanctity, and of Graces to the human generations.

V34 - 12.2.35 - (Luisa speaking): My King of Love, Jesus, and my Queen Mama, my Divine One, O please! **BRAID** my will with Yours and make of them one alone. Rather, enclose me in Your Hearts so that I do not write outside of Yours, but either inside of the Heart of my Jesus, or in the Bosom of my Celestial Mother, such that I can say: "It is Jesus Who Writes and My Mama Who Feeds me the Words."

Therefore, You who know my poor state, help me and give me the Grace of conquering the great repugnance that I feel in beginning another volume. I feel the need of being Sustained, Fortified, and Completely Renewed by the Power of Your Divine Fiat in order to be able to do Your Divine Will in everything and always.

V34 - 1.10.37 - I felt myself under the Eternal Waves of the Fiat, and my poor mind runs, it always runs in order to be Invested, and the Waves run in order to Invest me. And this mutual Investing Forms the most Beautiful Rest for both parties.

But while I ran, my Highest Good Jesus, stopping me, told me: "My daughter, how Beautiful is the Course of My Fiat with the daughter of My Divine Will. A **BRAIDING** happens between the one and the other. All created things in which My Volition runs see that the little thread of the human volition **BRAIDS** everything, and My Fiat, **BRAIDING** it, renders it extendable in all her acts. It seems that It is not content if It does not see this thread of the human volition in the sky, in the sun, in everything. It is a contest that forms, the Divine Volition wants to Invest the human, and the human volition wants to let itself be Invested by It."

And surprised I said: "But how can it be that the human volition, so little, can extend in all created things, and together with the Fiat embrace the great vastness of the whole Creation?"

And my Sweet Jesus added: "My daughter, do not marvel. Since all things were Created for the creature, it was Just, Decorous, that the soul and the human will would be able to invest and embrace everything. They would lord over everything and would possess greater Marvels that the Creation Itself does not possess. More so, United with My Divine

Will, where can the creature not reach? She cannot embrace Our Immensity, because it is not given to anyone to be able to embrace It, but everything that has been done for her, provided she remains in Our Fiat, was given to her by Us: the Right of being able to enter everywhere, to embrace everything, and to make Our Works hers. And My Fiat would not be able to be—It would feel the Purpose torn from It—if It did not find the human volition in Its Works that, wanting to Live together, recognizes in them Its Works, how much It has Loved her, and how It wants to be Loved.

“Therefore My Divine Will is all eye, It is as spying in order to see when the creature is about to do a little act, an act of love, a breath, a heartbeat, in order to Invest it with the Power of Its Breath and say to her: ‘My Works I have done for you, and you must work for Me. Therefore what you do is Mine, it is My Right, as My Works are your Right.’ These are the Laws of Living in My Volition, the yours and Mine cease on both parts, they Form One Single Act and Possess the same Goods. But this is not everything. For one who Lives in Our Fiat, this thread of the human volition runs in My Conception, in My Birth, in My Infantile Tears, in My Sufferings.

“Listen to a very tender thing, when this thread of the human volition **BRAIDS** Mine, and Mine hers, Investing all the Acts and Sufferings of your Jesus, I feel the Joy and the Purpose of being Conceived and Born. I feel Happy to have cried for her Love, rather, My Tears are stopped on My Face, and seeing that the human volition impearls Mine with hers, kisses them, adores them, loves them, O! how Happy and Victorious I feel that My Tears and Sufferings have Conquered the human volition, since I feel it flow in all My Acts, and even My Death itself.

“Therefore, as there is nothing that We have not done for their Love, so there is nothing that My Volition does not call this human volition in. So as to be more secure, It **BRAIDS** it with It and with Its Works, there is no danger that It leave her behind. And with an emphasis of Indescribable Love It tells her: ‘My Divine Will is yours, My Works are yours, recognize them, Love them, never stop, run, fly, do not let anything escape you, you would lose a Right in this, that you do not Know and Possess, and you would give Me a Sorrow that in My Divine Will I do not find yours **BRAIDED** in My Works. And I feel the Purpose torn from Me, betrayed in Love, and as a father who while he has children, he does not find them in his works, in his possessions, in his dwelling—they are far away from him, and they lead a life that is poor and unworthy of such a father. Therefore the Anxieties, the Sighs, the Longings of My Fiat are Incessant, they would move Heavens and earth, they would not spare Me anything, provided the creature would Live Harmonized with It and would be Possessor of Its Own Goods.

“In addition to this, everything that We have done, as much in Creation as in Redemption, is all in Act to give itself to man; they hang over his head, but they are as suspended, without being able to give themselves, because he does not know them and does not call them, and does not love them, in order to enclose them in his soul so as to receive such a Good.

“Now one who Possesses Our Volition, Our Works, My whole Life that I passed down here, finds the Refuge, the Space, the Room for where to be able to continue My Life, My

Works, and the soul acquires the Practicing Act and converts into her nature the Works and My Life. In fact, this creature is the Refuge of Our Sanctity, of Our Love, and the Life of Our Will. And when Our Love, not being able to contain it, wants to give in Excesses, We find Refuge in her and We give outlet to Our Love, and We pour forth such Charismas of Graces that the Heavens are amazed, and trembling they adore Our Divine Will Operating in the creature.”

V35 – 10.3.37 - “As soon as the creature will Possess Our Volition, all her acts—small and great, human and spiritual—will be Animated by My Divine Will, so as to Rise between Heaven and earth, investing and **BRAIDING** together the sky, the sun, the stars and the whole Creation. Then, they will Rise even higher and will invest all the Acts of the Queen of Heaven, identifying themselves with them. These acts will have the Power to invest the Acts of Our Divinity, Our Joys and Beatitudes as well as those of all the Saints; and once they’ve enclosed everything within themselves, without leaving anything out, all Victorious, they will present them before Our Divine Majesty, offering them to Us as Complete Acts which lack nothing. O, what a Joy, what a Glory for Us, finding in these Acts the sky, the sun, all the Acts of the Queen of Heaven, the Love with which She Loved Us, Our own Acts, Our Joys and Our Unceasing Love!”

V35 – 11.12.37 - “It happens as to the sun whose light and heat are greater and more intense than all the precious effects contained within it. They cannot be seen, but it is certain that the sun possesses these effects. In fact, if its light touches the flower, it gives color to it, painting like an artist the variety of beauties of the colors, so as to form the sweetest enchantment for the human generations. If it touches the plants and the fruits, it gives the variety of sweetnesses and tastes. This shows how the sun is not only light and heat, but it hides other goods inside its womb of light. Such is the creature who Lives in Our Will. As she loves and adores, she forms the Beauty of her Rainbow of Love in her works; the Variety of Joys and Sweetnesses of her Good acts, which she jealously hides within her womb. My Divine Will is the hiding place for Love and for all that the creature does in It, Forming the most Beautiful Ornament to Our Divine Works, and the Sweet Enchantment of Our Eyes. And We are so pleased that We show this to the whole Celestial Court, to let them delight together with Us.

“Therefore, the creature cannot give Us greater Glory than following Our Acts of Creation, because in doing so she Unites herself to Our same Purpose. She **BRAIDS** herself to Our Love and We feel her kissing Our Love, while We kiss her own, making One Single Love out of it. What Joy, what Happiness, having the creature together with Us, Loving Us and doing all that We want to do!

V36 – 7.11.38 - “My good daughter, You Must Know that the Power of each act done in My Divine Will is such that it opens a way to Heaven for oneself, and others who follow. Therefore every act is a way that leads to Heaven. All these ways, coming down from Heaven, **BRAID** the earth; they spread everywhere and become safe Paths and safe Guides

for anyone who wants to enter, Guiding her up to the Womb of her Creator. See then, what an Act in My Divine Will can do: it is one more way that opens between Heaven and earth. How Beautiful it is Living in My Divine Will. The Act is not only a way but, as the soul is about to do it, the Divine Breath Descends into it and, blowing, fills all Creation with Its Omnipotent Breath. Everybody feels the Refreshment, the Love and the Power of the Creative Breath, that has the Power to Enclose everyone and everything, Embalming with Its Divine and Celestial Air My Operating Will, within Ourselves as much as in the creature. It makes Wonders to the extent that It can say: 'I am a Divine Act, I can do anything.'

V36 - 12.25.38 - "Further, during My Birth, My Divine Mama made Me a Beautiful Surprise with Her Acts, with Her Love—with the Life of My Divine Will that She Possessed. She Formed My Paradise on earth. She did nothing other than **BRAID** the whole Creation with Her Love, laying Seas of Beauty—making Me Enjoy Our Divine Beauties within which Her Beauty was Shining. How Beautiful My Mother was—how Beautiful to find Her in the whole of Creation; She made Me enjoy Her Beauty and the Beauty of Her Acts. She spread Her Sea of Love to make Me find Her Love—My Paradise of Love—in all created things. I delighted and exulted in My Mama's Seas of Love. She made for Me, in My Divine Will, the most Beautiful Tunes and the most Delightful Concerts, so that Her little Jesus would not miss the Music of the Heavenly Fatherland. My Mother took care of everything, so that nothing would be lacking of the Enjoyment of the Paradise I had left. She kept Forming, in each one of Her Acts, New Joys to make Me Happy. By just leaning on Her Heart I could feel such Harmonies and Contents as to be Enraptured. By Living in My Divine Will, My Dear Mother carried Paradise in Her lap and let Her Son Enjoy it. All her Acts did nothing less than make Me Happy and Redouble My Paradise on earth."

Letter #38 - In this night of Holy Christmas, let us say, from the heart, a big and repeated "Fiat". In this way we will prepare a Feast for the Divine Little One and He will bring us His Own, so we will celebrate together His Adorable Birth... Now, I **BRAID** all the daughters together with the mother and I send my wishes to all, by praying to the Divine Infant that He will bring His Fiat to all the sisters, giving you the Kiss of the Fiat (...)

Virgin Mary in the Kingdom of the Divine Will - Offering of our human will to the Celestial Queen:

Most sweet Mama, here I am, prostrate at the Foot of Your Throne. I am your little child, I want to give You all my filial love, and as your child, I want to **BRAID** together all the little sacrifices, the ejaculatory prayers, and my promises of never doing My Divine Will, which I have made many times during this month of Graces. And Forming a crown, I want to place it on Your lap as proof of Love and thanksgiving for my Mama.
