

LUISA AND THE CHILDREN OF LIGHT

V14 - 10.27.22 - "...You Must Know that My Holy Humanity Contained two Generations within Itself: the children of darkness and the Children of Light. I Came to Rescue the First ones, and so I Gave out My Blood in order to Save them.

My Humanity was Holy, and nothing did It Inherit of the miseries of the First man; and although It was similar in natural features, It was Untouchable by the slightest spot which could veil My Sanctity. My Only Inheritance was the Will of My Father, in which I was to Carry out All of My human Acts, to Form in Me the Generation of the Children of Light. You see, I was Allowed to Form this Generation in the Very Womb of the Will of My Celestial Father, and I spared no Strains, nor Acts, nor Pains, nor Prayers; on the contrary, it was at the Top of All the things I Did and Suffered, in Such a Way that I Conceived It in Me, I Fecundated It and I Formed It. They were the ones, the Children of Light, whom the Divine Father had Entrusted to Me with So Much Love; they were My Favorite Inheritance, which was Given to Me in the Most Holy Supreme Will.

Now, after I Have Made Known the Goods of Redemption and How I Want Everyone to be Saved, Giving to All the Means which are Needed, I Move on to Make Known that there is another Generation in Me, which I Must Deliver: My Children who shall Live in the Divine Will; and that in My Own Heart I Keep All the Graces Ready - All My interior Acts Done in the Sphere of Eternal Will for them - waiting for the Kiss of their Acts, for their Union, in order to Give them the Inheritance of the Supreme Will. Just as I Received It, I, God Want to Give It to them, so that I May Deliver the Second Generation of the Children of Light. If My Humanity did not Give this Inheritance which It Possessed - that is, the Divine Will, the Sole and Only Thing I, God, Loved and which Gave Me All that is Good - My Descent upon earth would have been incomplete, nor could I say that I Have Given Everything; on the contrary, I would have reserved for Me the Greatest Thing, the Most Noble and Divine Part. See then, how Necessary it is that My Divine Will be Known in All of Its Relations, Prodigies, Effects and Value, What I did in This Divine Will for the creatures, and What they Must do. This Knowledge shall be a Powerful Magnet in order to Attract the creatures and Make them Receive the Inheritance of My Divine Will, and so as to Make the Generation of the Children of Light Enter the Field - the Children of My Divine Will. Be Attentive, My daughter; you, Luisa, will be My Spokesperson - the Trumpet, to Call them and Gather this Generation, so Favored and Longed For by Me."

V20 - 10.9.26 - "In fact, the Supreme Will is now hindered by their own 'self'; but when It Becomes Known, Its Rays, Vivifying, Penetrating and Full of Vivid Light, shall Eclipse the human will, that shall be Dazzled by Its Refulgent Light, and in seeing the Great Good that Comes to It, It will Give freedom of Action to My Divine Will, Giving It Total Dominion. So, in this Kingdom, a New Era, a New Continuous Creation, shall Begin for My Divine Will. It shall put out everything that It had Reestablished to Give to creatures, had they Always done

Its Will, and that It had to Keep within Itself for many centuries, as though in Deposit, to then Release them for the Good of the Children of Its Kingdom.”

V20 - 10.13.26 - “I shall never take free willing away from the human will—a Great Gift, Given to man in Creating him, that Makes creatures Distinguishable as to whether they Want to be My True children, or not. But, rather, with the Light of the Knowledges about My Divine Will, I shall Form More than Solar Rays, and whoever Wants to Know them and Look at them, shall be Invested by this Light; in Such a Way that, Eclipsed, the human will shall take Delight and Love in looking at this Light, and shall Feel Fortunate that the Action of the Light Takes the Place of its own. And it shall lose love and delight for other things. This is why I AM Saying So Much about My Divine Will—to Form the Strong Light, because the Stronger It is, the Greater is the Eclipse It Forms in order to Occupy the human will.

V20 - 11.4.26 - I was in my continuous state in the Supreme Will, Praying My Queen Mama to help me to Impetrate this Kingdom of the Eternal Fiat; and my sweet Jesus, Moving in my interior, told me: “My daughter, the Most Perfect Copy of the Children of the Kingdom of My Divine Will was My Celestial Mama; and because It had Its First Daughter in It, Redemption could Come; otherwise, had We, Triune God, not had Mary, the First Daughter of Our Will, I, the Eternal Word, would never have Descended from Heaven. In order to Descend upon earth, I would never have made use of, nor Trusted, children who were extraneous to Our Divine Will.

“So, you see, a Daughter of Our Divine Will was Needed for the Coming of the Kingdom of Redemption; and because She was Daughter of the Kingdom of the Eternal Fiat, She was the Faithful Copy of Her Creator and the Perfect Copy of All Creation. She was to Enclose All the Acts that the Supreme Will Exercises in All Created things; and because She had Supremacy and Sovereignty over All Creation, She was to Enclose within Herself the heavens, the stars, the sun and everything, so that the Copy of the heavens, of the sun, of the sea and also of the earth, all flowery, might be Found in Her Sovereignty.

“So, in Looking at Mary My Mama, one could see in Her Portents Never before seen. One could see heavens; one could see most refulgent sun; one could see crystal clear sea, in which We, Triune God Reflected Ourselves in order to see Our Daughter. One could see earth at springtime, always flowery, that Attracted the Celestial Maker to take His Strolls on it. Oh! How Beautiful was Mary the Celestial Sovereign, as We saw in Her not only Our Copy, but All of Our Works Enclosed in Her. And this, because She Enclosed Our Divine Will within Herself.

“Now, for the Coming of the Kingdom of the Supreme Fiat, another daughter of Our Divine Will was Needed, because if she were not Its daughter, Our Divine Will could Entrust to her neither Its Secrets, nor Its Sorrows, nor Its Knowledges, Its Prodigies, Its Sanctity, Its Dominions. Just as a father and a mother enjoy making their goods known to their children and making their children possess them—even more, they would like to possess more in order to make them more rich and happy—so does My Divine Will Enjoy Making Its Goods Known to Its Children, to Make them Rich and Happy, of a Happiness without End.

“Now, in the Kingdom of the Supreme Fiat, We, Triune God shall Have the Copies of Mary the Sovereign Queen. So, She too Longs for and Awaits this Divine Kingdom on earth, in order to Have Her Copies. What a Beautiful Kingdom It shall be—a Kingdom of Light, of Infinite Riches, a Kingdom of Perfect Sanctity and of Dominion. Our Children of this Kingdom shall All be kings and queens; they shall All be Members of the Divine and Royal Family. They shall Enclose All Creation within themselves; they shall have the Resemblance, the Physiognomy of Our Celestial Father, and therefore shall be the Fulfillment of Our Glory and the Crown of Our Head.”

V20 - 1.28.27 - “Just as All Created things, so shall All the Children of the Kingdom of the Supreme Fiat have their Place of Honor, of Decorum and of Dominion; and while Possessing the Order of Heaven and, More than Celestial Spheres, being in Perfect Harmony Among themselves, the Abundance of Goods that each one shall Possess, shall be Such and So Great, that one shall never have Need of the other—each one shall have within himself the Source of the Goods of his Creator and of His Perennial Happiness. Therefore, poverty, unhappiness, needs and evils shall be banished from the Children of My Divine Will. It would not be Decorous for My Divine Will, so Immensely Rich and Happy, to have Children who would lack something, and would not Enjoy All the Opulence of Its Goods that Arise Continuously.

“What would you say if you saw the sun poor in light, barely sending a few glimmers to the earth? And if you saw a hem of heaven at one Point, with just a few stars, and all the rest without the Enchantment of the azure heavens? Would you not say: ‘He who Created the sun does not Possess the Immensity of the Light that Arises, and therefore He has the earth lighted by just a few glimmers. He does not Possess the Power to Extend a Heaven Everywhere, and therefore He has laid just a hem of it above our heads’? So, you would make for yourself the idea that God is poor in Light, and that He does not have the Power to Extend everywhere the Works of His Creative Hands. But, instead, by seeing that the sun abounds so much with light, and that the heavens Extend Everywhere, you are Persuaded that God is Rich and Possesses the Source of Light, and therefore He has lost None of His Light by Endowing the sun with so much light, nor has His Power decreased by Extending the heavens Everywhere.

“In the Same Way, if the Children of My Divine Will shall not Abound with Everything, one could say that My Divine Will is poor and does not have the Power to Make the Children of Its Kingdom Happy—which shall Never be. On the contrary, because It shall be the Image of the Kingdom that My Divine Will has in the Creation, just as the heavens Extend Everywhere and abound with stars, and the sun abounds with light, the air with birds, the sea with fish, the earth with plants and flowers, in the Same Way, since the Kingdom of the Supreme Fiat Echoes the Creation, the Children of My Kingdom shall be Happy and shall Abound with Everything. Therefore, each one shall Possess the Fullness of Goods and Full Happiness in the Place in which the Supreme Will has Placed him; Whatever the Condition and the Office they shall Occupy, All shall be Happy of their Destiny.

“And since the Kingdom of the Supreme Fiat shall be the Perfect Echo of the Kingdom that My Divine Will Possesses in the Creation, one sun shall be seen up high, and another Sun down below in the midst of the creatures who shall Possess this Kingdom. The Echo of the heavens shall be seen in these Fortunate Children, that they shall Populate with stars with their Acts. Even More, each one of them shall be a Heaven and a Distinct Sun, because wherever My Divine Will is Present, It cannot be without Heaven and without Sun; rather, as It Takes Possession of Each of Its Children, It shall Form Its Heaven and Its Sun, because it is Its Nature that wherever It has Its Stable Possession, Its Sanctity, Its Endless Light, it is like Heaven and Sun that It Forms and Multiplies Everywhere.”

V20 - 2.3.27 - “Therefore, with Divine and Invincible Patience, She (the Divine Will as Mother) is Waiting for Her Children who, by Knowing Her, May Tear the Veil from Created Things that Hide Her, May Recognize the Breast of their Mama and, Grateful, May Suckle from Those Divine Breasts as Her True Children. And so, the Glory of All Creation, of All Redemption, of your Jesus and of the Eternal Fiat shall then be Complete, when the Children of Her Kingdom shall Attach themselves to Her Breast, to Suckle from Her Breasts. Recognizing Her, they shall not Detach from Her Breast, and She shall Give them All Goods, and shall Have the Glory, the Contentment, to see All of Her Children Happy; and these Children shall have the Honor, the Glory, to Copy within themselves the Mother Who, with So Much Love, Keeps them on Her Lap to Nourish them with Her Divine Milk.

“Now My Divine Will finds Itself in the conditions of the sun when the clouds prevent the fullness of its light from investing the earth with all its vividness. So, because of the clouds, the sun cannot display all the light it contains, as if the clouds were hindering the glory of the sun of giving course to its light—always the same, always fixed, as indeed it gives it. In the Same Way, the clouds of the human will hinder All the Course that the Sun of My Divine Will would Want to Do Toward them; and because It cannot Communicate All the Goods It Contains, either through Creation or Directly, Its Glory is Intercepted by the clouds of the human will.

“But when they shall Know the Supreme Fiat and shall Give themselves as Its Children, these clouds shall be Removed, and My Divine Will Shall be Able to Give the Goods It Possesses. Then shall Our Glory be Complete in the midst of creatures.”

V20 - 2.9.27 - “Now, My daughter, Luisa, the sun is the Symbol of My Divine Will, and, by Its Own Nature, My Divine Will Wants to Follow Its Course of Light in the soul in whom It Reigns. And since Its Light Possesses Innumerable Effects, It Never Tires, nor does It Exhaust Itself, therefore It Wants to Communicate Its Effects, and Its Triumph is when It Finds the Dispositions in you. Then, More than to a seed, a flower or a fruit, It Can Communicate Its Effects—the Fragrance, the Color, Its Sweetness that, Converting into Knowledges Belonging to It, Form the Enchantment of Its Garden. And My Divine Fiat, More than sun, Feels like the king who is able to Exercise his Royal Office; It Feels It has not only Its subjects, but also Its daughter, Luisa to whom, as It Communicates Its Effects, Its Manifestations, so It Communicates the Likeness of queen. And this is All Its Triumph—to

Transform the soul into queen, and to Clothe her with Royal Garments. And since All of My Manifestations about the Supreme Fiat shall Form the New Garden of the Children of My Kingdom, It Wants to Always Place Its Effects in you with Its Light, so as to Make it Rich and Luxuriant with All Species of Celestial Flowers, Fruits and Plants, in such a Way that, Attracted by the Variety of So Many Beauties, All shall Feel as though Enraptured and shall Strive to Live in My Kingdom.”

V23 – 9.25.27 - “What Harmony, What Order, What Love, What Enchantment of Beauty Passes between the soul who Lives in My Divine Will and All things Created by Me. They are so Bound Together as to Seem Inseparable. The soul who Lives in My Divine Volition Lives in Full Daylight, and her Acts, her thoughts, her words, are nothing other than the Reflections of It. The Sun of My Divine Will is Reflected in her, More than in a Crystal, and so she thinks; It is Reflected, and she speaks; It is Reflected, and she operates; It is Reflected, and she Loves. There is nothing Greater or More Beautiful than a soul who Lives of the Reflections of this Sun. These Reflections Keep her in Communion with the Acts of her Creator and in Possession of His Very Goods.

“Furthermore, You Must Know that just as My Holy Humanity Enclosed All the Goods of Redemption and Issued them for the Good of the Redeemed ones, It also Wanted to Enclose within Itself All the Acts and Goods of the Children of the Kingdom of My Divine Fiat. Therefore, as the soul does her Acts in It, I God Expand her Capacity and I Place My Acts; and so, as she gradually Enters My Kingdom and Keeps Emitting her Acts, I Keep Expanding her Capacity in order to Deposit in her All the Acts that My Humanity Possesses, so as to Complete in her the Kingdom of My Divine Will.”

V23 – 10.20.27 - “My Beloved Jesus says that only when His Divine Will is Known on earth, and Its Kingdom is Formed, and the Children of this Kingdom Take their Place in the Celestial Fatherland, a Place Reserved only for them—then shall His Glory on the part of Creation and the Glory of All the Blessed be Complete.”

“...“Those who shall Live in Its Kingdom shall be Under the Power of a New Act, of an Irresistible and Continuous Force, such that they shall Feel Invested with a New Act of Sanctity, of Dazzling Beauty, of Most Refulgent Light; and while they Possess this Act, a New One shall Arrive, and then one More, without ever ceasing. Amazed, they themselves shall say: ‘How Holy, Beautiful, Rich, Strong, Happy is Our Fiat Trice Holy, that is Never Exhausted. It Always has Sanctity to Give us, Beauties with which to Embellish us ever More, New Strengths to Make us Stronger, and New Happinesses, Such that the First is not similar to the Second, or to the Third, or to any of the others It shall Give us.’ These Fortunate creatures shall be the True Triumph of the Divine Fiat, the Most Beautiful Ornament of All Creation, the Most Refulgent Suns, that shall Cover with their Light the void of those who have not Lived in Its Kingdom.

“Now, Mary My Inseparable Mama Who Possesses this New and Continuous Act as Her Own Life, that was Communicated to Her by My Divine Will because She Lived Life in It, is the First Most Refulgent Sun, that My Volition Formed in Her, and She Occupies the

First Place of Queen and Gladdens the Whole Celestial Court, Making Her Light, Her Joys, Her Beauty be Reflected in All the Blessed. But She Knows that She did not Exhaust All the New and Incessant Acts that My Divine Will has Established to Give to creatures, because It is Inexhaustible and—oh! How Many More It has; and She Awaits that More Suns be Formed from this, Its New Act of New Beauties and of Rare Beauty.

“And, as True Mother, She Wants to be Surrounded by All these Suns, that they May Reflect themselves in one another and Delight one another, and the whole Celestial Court May Receive not only Her Own Reflections, but those of All these Suns, as the Fulfillment, for All, of the Glory of the Work of the Creation of Her Creator. As Queen, She Awaits with great Love the Properties of My Divine Will in the creatures, that are as though Her Own, for She was the First to Form the Kingdom of My Divine Will within Herself.

“Suppose that, instead of one sun, more suns were formed in the vault of the heavens—New in Beauty and in Light: would the vault of the heavens not appear as more Beautiful and More Adorned? It certainly would. And would these suns not reflect themselves as light in one another? And would all the inhabitants of the earth not receive the reflections, the goods, of all these suns? So it shall be in Heaven. More so, since those who have Possessed the Kingdom of the Supreme Fiat on earth, shall Have Endless Goods in Common, because one is The Divine Will that has Dominated them.”

V23 - 11.27.1927 - “My daughter, Luisa, the one who lets herself be Dominated by My Divine Will, by Virtue of It, Receives the Divine Fecundity, and with this Fecundity she can Generate in others What she Possesses. With this Divine Fecundity the soul Forms the Most Beautiful and Long Generation, that shall Bring her the Glory, the Cortège, of Having Many Births Generated in her very Acts. She shall see, Coming out from within herself, the Generation of the Children of Light, of Happiness, of Divine Sanctity.

“Oh! How Beautiful, Holy and Pure is the Fecundity of the Seed of My Divine Volition. It is Light, and Generates Light; It is Holy, and Generates Holiness; It is Strong, and Generates Strength; It Possesses All Goods, and Generates Peace, Joy and Happiness. If you Knew What Good the Fecund Seed of this Volition, So Holy, shall Bring to you, and then to All, as It Knows how to Generate, and Can Generate, in Every Instant, All the Goods It Possesses!

“This is How the Height of Mary the Sovereign Queen was Able to Generate the Eternal Word with no one’s work. In fact, by not Giving life to Her human will, She only Gave Life to the Divine Will, and by this She Acquired the Fullness of the Seed of the Divine Fecundity, and Was Able to Generate Him, Jesus Whom Heaven and earth could not Contain. And not only Could She Generate Him Within Herself, in Her Maternal Womb, but She Could Generate Him in All creatures. How Noble and Long is the Generation of the Children of the Celestial Queen; She Generated Everyone in that Divine Fiat that Can Do Anything and Encloses Everything. So, My Divine Will Raises the creature and Renders Her Sharer in the Fecundity of the Celestial Paternity. What Power, How Many Sublime Mysteries Does It not Possess!”

V23 - 12.22.27 - “Moreover, You Must Know that All the Knowledges and Manifestations that I, Jesus Give you, Luisa, about My Divine Will, and that you write on paper, do not depart from you, but Remain Centralized in you, Luisa, like Rays inside their Sphere. And this Sphere is My Very Divine Will Reigning in you, that Delights with Great Love in Adding ever New Rays that It Makes with Its Knowledges in this Sphere, so that creatures May Find Enough Light to Know It, and Enrapturing Attractions to Love It. All the Rays to Form the Kingdom of the Divine Will shall be Enclosed in this Sphere; and All the Rays, Starting from Within One Single Sphere, shall Have One Single Purpose: to Form My Kingdom.

“However, Each Ray shall have a Distinct Office; One Ray shall Enclose the Sanctity of My Divine Fiat and shall Bring Sanctity; another, Happiness and Joy, and shall Invest those who Want to Live in It with Happiness and Joy; Another Ray shall Enclose Peace and shall Consolidate All in the Peace; Another, Strength; Another, Light and Heat; and the Children of My Kingdom shall be Strong, shall have Light to do Good and to flee from evil, and Ardent Love to Love What they Possess. And So with All the Other Rays that shall Start from Within this Sphere.

“Now, All the Children of My Divine Will shall be Invested by these Rays, they shall Move Around them; even More, Each Ray shall Feed their souls, and they shall Suckle from them the Life of My Fiat. So, What shall be your Happiness in seeing All the Good, the Happiness, the Sanctity, the Peace and Everything else, Descend into the midst of the Children of My Kingdom from inside your Sphere Luisa, by Virtue of these Rays? And then, the Complete Glory that these creatures shall Give to their Creator for Having Known the Kingdom of My Divine Will, Ascend Again Within those very Rays? There is no Good that shall not Descend through you, Luisa, by Virtue of the Sphere of My Divine Will Placed in you, nor Glory that shall not Ascend Again along the Same Way.

“When I Choose a creature for a Mission that Must Bring Universal Good into the midst of the human family, First I Fix and Enclose All the Goods in the Chosen one, who Must Contain All the superabundant Good that others Must Receive, who, perhaps, will not even Take Everything that the Chosen creature Encloses. This Happened in Mary the Immaculate Queen, Who Was Chosen to be the Mother of the Eternal Word, and therefore the Mother of All Redeemed ones. Everything that they were to do, and All the Good they were to Receive, Was Enclosed and Fixed Inside Mary the Sovereign Queen of Heaven, as though inside a sun’s sphere, in Such a Way that All the Redeemed ones Move Around the Sun of the Celestial Mama; in Such a Way that She, More than Most Tender Mother, Does Nothing but Feed Her Rays to Her children, to Nourish them with Her Light, with Her Sanctity, with Her Maternal Love. But How Many of the Rays that She Spreads have not been taken by creatures, because, ungrateful, they do not All Draw Around Mary this Celestial Mother?”

V24 - 6.29.28 - “My daughter, Luisa, this Continuous ‘*I Love You*’ of yours is nothing other than the Continuity of the First ‘*I Love You*’ said in My Divine Will that, Pronounced One Time, has the Virtue of Repeating, with Facts, What was Said Once. The ‘*I Love You*’ Forms the Heat, and My Divine Will Forms the Light that, Invading the ‘*I Love You*,’ Forms the Sun,

one More Radiant than the other. How Beautiful is the Life of Luisa, the soul in My Divine Will. She Acquires a Long Offspring—almost Interminable.

“In fact, if she thinks, she Gives Birth to her thoughts within the Divine Mind, Forming the Long Generation of her children in the Mind of her Celestial Father; if she speaks, she Gives Birth to her words within the Word of God, Forming the Long Generation of the children of her word; if she operates, if she walks, if she palpitates, she Gives Birth to her works Within the Hands of her Creator, her steps Within the Divine Feet, her heartbeats Within the Paternal Heart, Forming the Long Generation of the children of her works, of her steps and of her heartbeats. What an Endless Generation she who Lives in My Will Forms for her Creator. She, Luisa, is the Populator and the Fecund mother that Keeps He who Created Her Always in Feast, because each child is a Feast that God Feels Being Given Birth Within His Womb by she who Lives in His Divine Will.”

And, All Moved, He Repeated: “How Beautiful she is! How Beautiful is the Newborn of My Divine Will. In her littleness she would Want to Engage in a Competition with her Creator; she would Want to Give Him the Occasion to Always Smile, and with childlike Surprises Capture Him so as to be Always Gazed upon, to show Him the Long Generation of her children.”

And as though fainting with Love, He Remained Silent; but a little later He added: “My daughter Luisa, the creature has Three Kingdoms in her soul, that are her Three Powers. These Can be Called the Capitals of these Three Kingdoms, while All the rest of the creature—words, eyes, works, steps—are cities, villages, rivers, seas and territories that Form these Kingdoms. The heart itself cannot be Called a Capital, but the Most Important City of Communication for the others.

“Now, in a war, if the capital is conquered, the war ends, because all other cities are conquered along with the capital. Now, if My Divine Will Arrives at Taking over the Three Capitals of these Kingdoms, Raising Its Throne in them, all the other cities shall be Conquered and Dominated by the Supreme Fiat. How Much Glory these Kingdoms shall Acquire. They shall be the Happiest, the Richest and Most Populated Ones, because He Who Rules them and Dominates them is the Invincible, the Strong, the Powerful. No one shall dare to molest and disturb their order; Everything shall be Peace, Joy and Perennial Feast.

“So, those who Live in My Divine Fiat shall Possess Three Suns, One More Beautiful than the other; Three Peaceful Kingdoms, Enriched with All the Joys, Harmonies and Happinesses; and they shall be Crowned with Three Crowns. But do you Know who shall Crown the forehead of the Children of My Divine Will? The Sacrosanct Trinity. Enraptured by Their Likeness, that They Infused in them in Creating them, Seeing that Our Fiat Has Raised them and Formed them as We Wanted, and Wounded at the Sight of Our Own Features in them, the Ardor of Our Love shall be So Great, that Each of the Three Divine Persons shall Place His Own Crown, as the Special Distinctive Sign that they are Children of Our Divine Will.”

V24 - 7.14.28 - “My daughter, Luisa, these little Seas and Rivers that you see in the Eternal Sea of the Divine Majesty are of those who Operate in the Divine Will. The Creator Gives and Forms the Place within His own Sea for those who Want to Live in the Fiat; He Admits them into His House and Lets them Form their own Properties. And while Forming their own, they Enjoy All the Goods of the Interminable Sea of the Supreme Being, who Gives Wide Freedom to these Children of His to Expand their own little seas within His Very Sea, as Much as they can.

“In this Sea there are the little Seas of My Humanity and those of the Sovereign Queen of Heaven, and there shall also be those of the ones who shall Live in My Divine Will. None of their Acts shall be done outside of this Divine Sea, and this shall be the Greatest Glory of God and the Greatest Honor for the Children of My Divine Fiat.”

After this, while being Immersed More than ever in the Divine Volition, I was offering all my being and all my acts in It. Oh! how I wished that not even one thought, one word, one heartbeat would escape the Light of the Fiat. Even More, I wished to surround all the acts of creatures like a crown, lining myself up over each human act to Invest Everything and Everyone with Its Light, so that one might be the word, one the heartbeat: “*Divine Will.*”

But while My mind was wandering within It, my Sweet Jesus, Making Himself seen, Clapsed me so very Tightly in His Arms; then He Placed His Most Holy Face Upon my heart and breathed Strongly into it. I am unable to say What I Felt.

And then He told me: “Luisa, daughter of My Divine Will, My Fiat is Light, nor could even a shadow or atom that is not Light Enter into It. Darkness does not find the Way—it becomes lost before Its Endless Light; and the soul, in order to Enter My Divine Will, Must Place herself in the Reflections of Its Light—that is to say, as she Wants to do her Acts in My Divine Will, she Places herself in Its Reflections, that Have the Virtue of Changing the Acts of the soul into Light.

“And My Divine Will Performs a Prodigy, as Each of Its Rays Invests—some her heartbeats, some her thoughts, some her words; in Each of Its Rays It Contains the Crown of all the acts of the creature. And since My Fiat Embraces Everything and Everyone—Heaven and earth—It Makes Everyone Touch, and Gives to Everyone, All the Acts of the creature Done in It. If All could see the Marvels of the Living and Operating in My Divine Will, they would see the Most Beautiful, Enchanting and Enrapturing Scene, that does the Greatest Good and Brings the Kiss of Life, of Light, of Glory.”

V26 - 6.9.29 - “Such is My Divine Will—more than sun for creatures. In Its Endless Great Wheel of Light, It goes in Search of Everyone, to Make Itself be Recognized and to Form in each creature Its Life of Beauty, of Sanctity, of Light and of Infinite Sweetness. It Wants to Destroy all bitternesses, uglinesses, miseries in them, and with Its Kiss of Life, Breathing over them, It Wants to Transform them into What is Good, Beautiful and Holy. But, alas! the sun Created by My Fiat does so many prodigies for the earth, and with its own unique majesty it lays over it its mantle of light, of beauty; and at each of its touches, it gives the life it possesses to each plant; and My Fiat Remains with the sorrow of not being able to Communicate the Goods It Possesses and Its Divine Life to souls, because they oppose

Receiving It, and do not want to Lap Up the Light of My Volition, and therefore they are like the earth if it could oppose receiving the light of the sun—in full nighttime, squalid, weak; and many of them are terrifying to look at. My Divine Will is Pregnant with So Many Divine Lives, of So Many Beauties and of So Many Goods that It Wants to Give to them; It would Want to Pour Its Own Self Out in order to Enclose the creatures within Its Womb of Light, and Make of Each of them a Prodigy of Sanctity, of Beauty, one Distinct from the other, to Form Its Heaven on earth. But the human will opposes It, and My Fiat Feels the Intense Pain—more than a mother when she cannot deliver her child to the light.

“And so this is why, My daughter, Luisa, My Divine Will Wants to Make Itself Known, It Wants to Form Its Kingdom—because these Children Belonging to It shall Live Voluntarily Within and of Its Light; they shall remain with their mouths Open to Receive Its Kisses, Its Embraces and Its Affections, in order to Form Its Divine Life in them. Then, Yes! the Prodigies that My Volition Knows How to Do, and Can Do, shall be Seen. Everything shall be Transformed, and the earth shall Become Heaven. And then, the sun that is there under the vault of the heavens and the Sun of My Eternal Volition shall hold hands; even more, they shall Engage in a Contest, to See that one Can Make More Prodigies—the sun for the earth, and My Divine Will for souls. But My Divine Will shall Make Greater Display, So Much So, as to Form a New Enchantment of Prodigious Beauties Never Before Seen, for the Whole of Heaven and for All the earth.

V26 - 9.8.29 - “This Celestial Baby Girl, (Mary) by Keeping Our Divine Will Intact within Her Soul, without ever doing Her own human will, Reacquired All the Rights of Adam Innocent Before Her Creator, and the Sovereignty over All Creation. Therefore, All Felt themselves Being Reborn in Her, and We Saw in this Holy Virgin, in Her little Heart, All the Seeds of the human Generations. So, through Her, humanity Reacquired the Rights lost, and this is Why Her Birth was the Most Beautiful, the Most Glorious Birth. From Her Very Birth, She Enclosed Within Her Maternal little Heart, as though in-between Two Wings, All Generations, as Children Reborn in Her Virginal Heart, so as to Warm them, Keep them Sheltered, and Raise them and Nourish them with the Blood of Her Maternal Heart.

“This is the Reason Why this Tender Celestial Mother Loves creatures So Much—because All are Reborn in Her, and She Feels the Life of Her Children Within Her Heart. What Can Our Divine Will not Do wherever It Reigns and Has Its Life? It Encloses Everything and Everyone, and Makes one the Provider of Good to All. So, All Feel, Under Her Blue Mantle, the Maternal Wing of their Celestial Mother, and they Find in Her Maternal Heart their little Place in which to Take Cover.

“Now, My daughter, Luisa, the one who Lives in My Divine Will Renews her Rebirth and Redoubles the Rebirths for All human Generations. When My Supreme Will Lives inside a heart and Lays the Fullness of Its Endless Light within it, It Centralizes Everything and Everyone, It Does Everything, It Renews Everything, It Gives Back All that, for centuries upon centuries, It has not been able to Give through the other creatures. So, this creature Can be Called the Dawn of the Day, the Daybreak that Calls the Sun, the Sun that Gladdens All the earth, Illuminates it, Warms it, and with its Wings of Light, More than Tender Mother,

Embraces Everything, Fecundates Everything; and with its Kiss of Light, it Gives the Most Beautiful Tints to flowers, the Most Delicious Sweetness to Fruits, Maturity to All plants. Oh! if My Divine Will Reigned in the midst of creatures, How Many Prodigies would It not Operate in their midst?

“Therefore, Be Attentive; everything you do in My Divine Fiat is a Rebirth that you Have in It; and to be Reborn in It Means to be Reborn in the Divine Order, to be Reborn in the Light, to be Reborn in the Sanctity, in the Love, in the Beauty. And in Each Act of My Divine Will, the human will Undergoes a Death, Dying to All evils, and it Lives Again to All Goods.”

V28 - 8.15.30 - “My daughter, Luisa, the Glory, the Greatness, the Power of Mary My Celestial Mama in Our Fatherland is Insuperable. And do you Know Why? Her Life on earth was Lived Inside Our Divine Sun; She Never went out from Within the Abode of Her Creator; She Knew Nothing Else but Our Divine Will Alone, She Loved Nothing Else but Our Interests, She Asked for Nothing Else but Our Glory. It can be said that She Formed the Sun of Her Life Within the Sun of Her Creator.

“So, whoever Wants to Find Her in the Celestial Dwelling, Must Come into Our Sun, Where the Sovereign Queen, Having Formed Her Sun, Spreads Her Maternal Rays for the Good of All, and Blazes with Such Beauty as to Enrapture the Whole of Heaven, All Feeling Twice as Happy for Having a Mother so Holy, and a Queen so Glorious and Powerful. The Virgin Mary is the First Daughter, and the Only One, Who Possesses Her Creator; and She is the Only One to Have Lived Life in the Sun of the Supreme Being. And since She Drew Her Life from this Eternal Sun, it is No Wonder that, Having Lived of Light, She Formed Her Most Refulgent Sun that Gladdens the Whole Celestial Court.

“This is Precisely What it Means to Live in My Divine Will: to Live of Light and to Form one’s Life Within Our Own Sun...”

V29 - 9.21.31 - “My daughter, Luisa, My Divine Will is the True Day for the creature. But in order to Form this Day It Wants to be Called in her act, because, as It is Called, so It Encloses Itself in the act, to Make Its Divine Day Arise. It Has the Virtue of Changing the act, the word, the step, the joys and the pains into Most Splendid and Enchanting Days. So, My Divine Will is Waiting, as the creature Rises from her Nocturnal Rest, to be Called in order to Form Its Day of Action in her. And since It is Most Pure Light, It does not adapt Itself to Working in the dark act of the human will, but with Its Light It Changes the act into Daylight, and Forms in it Its Splendid Day Filled with Heroic and Divine Actions, with Such Order and Beauty, Worthy Only of Its Vivifying and Operative Virtue. It Can be Said that It is Waiting Behind the Doors of the act of the creature, just like the sun behind the windows of the rooms, such that, even though outside there is much light, the rooms are in the dark because the doors have not yet been opened to it.

“The same for My Divine Will: even though It is Light that Fills Everything, the human act is Always dark if My Divine Will is not Called to Rise in it. Therefore, Call It to Rise in each of your acts if you Want It to Form in you Its Beautiful Day, and I May Find in you, and

in Each of your acts, My Days of Love that Surround Me with Joy and with Delights, that shall Make Me repeat: 'My Delight is to Be With the Children of My Divine Will.' I shall Spend My Days Happy in you—not in the unhappy night of your human will, but in the Full Dwelling of My Light and of the Perennial Peace of My Celestial Fatherland. Ah! Yes, I will Repeat: 'I AM Happy in this creature. I Hear in her the Echo of My Day Spent down here on earth, and the Echo of My Day that I Do in My Prison in the Sacrament of Love, All Packed With My Divine Will.' So, if you Want to Render Me Happy, let Me Find in you the Operating Virtue of My Divine Will, that Knows How to Form for Me My Beautiful Days of Most Refulgent Light, All Strewn with Ineffable Joys and with Celestial Happiness.”

V31 - 9.18.32 - “My daughter, Luisa, there is a mistaken notion in the base world, they believe that the creature can Live as though away from Us. What mistake! What mistake! The Whole of Creation is nothing other than an Inheritance Come Forth from Us, therefore it is Ours, it Belongs to Us, So Much So, that although We Have Put it Forth, still We Brought it Forth Inseparable from Us, and We Want the Honor, the Glory of Our Inheritance, and that creatures are not Our vile servants, but Children, and as So Many Princes of Our Kingdom. And this Princeship is Given to them by the Inseparability of Our Divine Will, such that the creature can neither do without It, nor can he Live, nor separate himself, not even in hell itself. At the Most, some have It Operating, and some have It Conserving, of his being, without Giving It the Opportunity of Letting It Work Good. To Live without My Divine Will would be like the body living without the soul—that would be impossible. And one sees that when a Member is cut off from the body it has no motion, it loses heat and putrefies because it lacks the soul. It would be the same if he lacked My Divine Will. Everything would Come to nothing.

“Now Living in My Will is Exactly this, to Feel Flowing in All your being, in All your Acts, the Light, the Divine Strength, the Life of My Divine Will, because where Its Operating Life is not, that act remains without Life, without Heat, without Strength and Divine Light. It is as though dead to Good, and when there is no Good inside, evil Forms, and he ends with putrefying. O! if the creature could see himself without the Operating Life of My Volition, he would see himself so counterfeited, that he would be horrified to look at himself.”

V33 - 7.8.35 - “My daughter, Luisa, How Beautiful is Mary My Mama. Her Majesty is Enchanting, before Her Sanctity the Heavens Abase themselves, Her Riches are Interminable and Incalculable, no one can Call himself similar to Her, therefore She is the Lady, Mother and Queen. But do you Know What are Her Riches? Souls. Every soul is Worth More than a Whole entire world. No one Enters into Heaven if not through Her Means, and in Virtue of Her Maternity and of Her Sorrows. In fact, every soul is a Property of Hers, therefore She can be Given with Fact the Name of True Lady.

“See, therefore, how Rich She is. Her Riches are Special, they are Full of Speaking and Loving Lives that Extol the Celestial Lady. As Mother She has Her Innumerable children, and as Queen She shall have Her people of the Kingdom of the Divine Will. These children and this people shall Form Her Most Refulgent Crown, some as sun and some as stars shall

Crown Her August Head with Such Beauty, as to Enrapture the Whole of Heaven. In fact, the Children of the Kingdom of My Divine Will shall be those who shall Render Her the Honors of Queen, and Transforming themselves into Suns they shall Form the Most Beautiful Crown for Her. Therefore She Yearns So Much that this Kingdom Come, because to Her Refulgent Crown with which the Most Holy Trinity Crowned Her, She Awaits the Crown of Her People who, Extolling Her as Queen, offer Her their Lives Transformed into Suns as Attestation of Love and of Glory. O! if they could understand What it Means to Live in My Volition, How Many Divine Secrets would be Revealed, How Many Discoveries they would Make of their Creator. Therefore, be Content to die rather than not Live of My Divine Will.”

V34 - 5.20.36 - “...on this Day of My Ascension I had a Double Crown: the Crown of My Children whom I brought with Me into the Celestial Fatherland, and the Crown of My Children whom I left on earth, Symbol of the few who shall Begin the Kingdom of My Divine Will. All those who saw Me Ascend to Heaven Received So Many Graces, that Everyone Gave his life in order to Make the Kingdom of the Redemption Known, and they cast the Foundations in order to Form My Church so as to Gather All the human Generations into Her Maternal Womb. The Same for the First Children of the Kingdom of My Divine Will; they shall be few, but the Graces with which they shall be Invested shall be Such and So Many, that they shall Give their Lives in order to Call Everyone to Live in this Holy Kingdom.

“A Cloud of Light Invested Me, that took My Presence away from the sight of the disciples, who Remained as Enraptured in watching My Person. So Much was the Enchantment of My Beauty, that it Kept their pupils Enraptured, So Much So that they did not Know how to lower them to look at the earth, So Much So that an Angel was Needed to Shake them and Make them Return to the Cenacle. This too is a Symbol of the Kingdom of My Volition. Such and So Much shall be the Light that shall Invest Its First Children that they shall Carry the Beauty, the Enchantment, the Peace of the Divine Fiat, in a Way that they shall Easily Surrender themselves to Wanting to Know and to Love a Good so Great.

“Now, in the midst of the disciples there was Mary My Mama, Who Assisted at My Departure for Heaven. This is the Most Beautiful Symbol. Just as She is the Queen of My Church, She Assists It, She Protects It, She Defends It, so She shall Sit in the midst of the Children of My Divine Will. She shall Always be the Engine, the Life, the Guide, the Perfect Model, the Teacher of the Kingdom of the Divine Fiat that Remains So Close to Her Immaculate Heart. They are Her Anxieties, Her Ardent Desires, Her Deliriums of Maternal Love because She Wants Her Children on earth in the Kingdom where She Lived. She is not Content that She has Her Children in Heaven in the Kingdom of the Divine Will, but She Wants them also on earth. She Feels that She has not Completed the Task Given to Her by God as Mother and Queen. As long as the Divine Will does not Reign on earth in the midst of creatures, Her Mission is not Finished. She Wants Her Children who are Like Her and who Possess the Inheritance of their Mama.

“So the Great Lady is All Eye in order to Look, All Heart in order to Love, so as to Help the one whom She Sees in Some Way Disposed, that they Want to Live of Divine Will.

Therefore in the difficulties, think that She, Mary is Around you, She, Mary Sustains you, She, Mary Fortifies you, She, Mary Takes your volition in Her Maternal Hands in order to Make it Receive the Life of the Supreme Fiat.”

V34 – 3.14.37 - “Daughter, Luisa, why do you marvel? Perhaps My Divine Will cannot do What It Wants? It is enough It Wants it, that Everything is Done. And then, the sun, that can be Called the shadow of My Fiat, does it. As it finds the flowers, the plants, with the touch of its light it generates the color, the fragrances, it matures the plants and generates the sweetnesses in the fruits, and so many colors and such diversity of sweetnesses for however many flowers and fruits it touches with its light and warms with its heat. But if the sun does not find either flowers or fruits, it does not invest anything with its light and with its heat, it gives nothing, all the goods that it possesses it retains in itself.

“Such is My Divine Will. More than sun, as It Finds the creature who Wants It, It Calls her into Its Act, It Descends into the Depth of the human act, It Invests it, It Warms it, It Transforms It, and since It Possesses Life, It Generates Life and Forms a Divine Portent there. And like the sun, if It does not find the one who Wants to Live in My Volition and Form her Acts there, of the So Many Divine Lives of Mine that I Could Give, they Remain in It, Waiting with Invincible and Divine Patience for the one who lets Me Generate My Life in her Acts.

“My Divine Will is like a Tender Mother who Feels in herself the Long Generation of her Lives that she Wants to Put Forth to the Light in order to Form the Long Generation of her Children who would Form her Kingdom. And therefore It Goes Finding the one who lends her Acts to It. But do you Know Why It Goes to Find the Acts of the creature? Having to Descend into the Depth of the human acts in order to Form Its Life, It Wants to Make Its Way in their midst in order to Give Its Own Life to the creatures. More so because Life does not Form itself on the outside of people, but Always Within, otherwise the Necessary things, the Vital Humors in order to Form a Life, would be lacking.”

V35 – 3.22.38 - “My daughter, the Whole of Creation Was Made in One Outpouring of Our Most Intense Love. Therefore, the Children of Our Fiat shall Serve the Necessity of Our Love. Our Love Feels the Need to Pour Itself Out, otherwise We Feel Suffocated within Our Flames. Here is Why the Children of Our Divine Will are Necessary: as a Continuous Outpouring of Our Love, We shall Put them in Our Same Condition of Feeling the Need to Pour Out their Love Along With Us. We shall Pour Out Love on each other. So, just as Creation started in an Outpouring of Love, in the Same Way, We shall Close it with Our children—in an Outpouring of Love. These Children of Ours shall Serve to the Complete Glory of the Entire Creation. It wouldn’t be a Work Worthy of Us, Triune God, if We did not Receive the Glory that the creatures Owe Us for having Created So Many things for Love of them.

“And then, there is the Highest, the Most Noble, Holy and Sublime Point: We Created Everything so that All might be Enclosed and Animated by Our Divine Will. Therefore, just as We Delivered the Creation, so It Must Return to Us—into Our Adorable Fiat. If We didn’t Do So, it would seem as if We didn’t have Sufficient Power to Do All; Love, through which

We Can Conquer All; or Wisdom, with which We Can Dispose of All. The Children of Our Fiat shall Allow Us to Fulfill Our Divine Will in them, and therefore they shall be Our Glory, Our Triumph, and Our Victory. They shall be Our True Children, who shall not only Carry Our Image, but the Life of the Celestial Father Himself, Dwelling within them, as their own Life. These Children of Ours shall be Our Life, Our Heavens and Our Suns.”

V36 - 12.18.38 - “Our Divine Will is Our Life, Love is the Food. See, the High, Noble and Sublime Point at which We, Triune God, Want the creature: We Want to Form in her the Life of Our Divine Will. It shall Convert All things—Circumstances, Crosses, even the Air she breathes, into Love; Feeding her in order to say, ‘The Life of Our Divine Will is yours and Ours; We Eat the Same Food’ through this, We See the creature Growing in Our Image and Likeness. These are the True Joys in Our Creation—being Able to Say to Our Children: ‘We Look Alike.’ And What wouldn't the Joy of the creature be, in saying: ‘I Look Like My Heavenly Father.’ This is why I, God, Want the creatures to Live in My Divine Will. I Want My Children to Look Like Me.

“If these Children do not Come Back in My Divine Will, We find Ourselves in the condition of a poor father who is Noble—So Full of Knowledge as to be Able to Give Lessons to All, Rich and Filled with Goodness and Rare Beauty. But his children don't look like him at all. They have degenerated from the Nobility of their father; they are so poor, moronic, ugly, and filthy as to be disgusting. The poor father feels dishonored by his children. He even looks at them and almost doesn't recognize them, seeing them blind, crippled and sick—they don't even recognize their father. These children are the Pain of their own father.

“The Same Happens to Us. Those who don't Live in Our Divine Will dishonor Us and become Our Pain. How can they Look Like Us if Our Divine Will is not their own? Our Divine Will Feeds Our Children with Our Own Food, that Forms Our Sanctity in them as they Eat It; they are Embellished with Our Beauty, Acquiring Great Knowledge of their Father. Our Fiat Speaks through Its Light and tells them many things about their Father, until they Fall in Love with Him to the Extent that they Just Cannot be without Him. This Makes them Look Like the Father. My daughter, without My Divine Will there is no one who Can Feed It, Understand It, Form It, or Grow It, as Can Children who Look Like Us. Instead, they leave Our House, and Do Not Know What We Do, What We Are, How Much We Love them, or What they Need To Do to be Like Us; therefore, Our Image is far away from them. How can We ever Look Alike, if they Do Not Know Us, and if nobody Talks to them About Our Divine Being?”

Fiat!
