

Luisa and Rainbows of Peace in the Divine Will

V12 – Mar. 2, 1921 - As I was in my usual state, my always Lovable Jesus came and told me: "My daughter, the Third FIAT - my '*Fiat Voluntas Tua, on earth as it is in Heaven*' - will be like the Rainbow which appeared in the sky after the deluge, which, as Rainbow of Peace, assured man that the deluge had ceased. So will the Third FIAT be. As It comes to be Known, loving and disinterested souls will come to Live in My FIAT. They will be like Rainbows - Rainbows of Peace - which will reconcile Heaven and earth, and dispel the deluge of so many sins which inundate the earth. These Rainbows of Peace will have the Third FIAT as their own life; therefore My '*Fiat Voluntas Tua*' will have Its Completion in them. And just as the Second FIAT Called Me upon earth to Live among men, the Third FIAT will Call My Will into souls, and It will Reign in them 'on earth, as in Heaven'."

Then, since I was sad because of His absence, He added: "My daughter, be cheered - Come into My Will. I chose you among thousands and thousands, so that My Will may have Full Completion in you, and so that you may be like a Rainbow of Peace which, with Its Seven Colors, Attracts others to Live in My Will. Therefore, let us leave the earth aside. Up until now I have Kept you with Me in order to Appease My Justice and prevent greater chastisements from being poured upon the earth. Now, let us allow the current of human evil to run; I Want you with Me, in My Volition, to be Occupied with Preparing the Era of My Will.

As you move forward on the path of my Volition, the Rainbow of Peace will form, which will Form the Link of Connection between the Divine Will and human will. From it, My Will shall have Life on earth, and this will begin the Fulfillment of My Prayer, and the Prayer of the Whole Church: '*Thy Kingdom come, Thy Will be done, on earth as It is in Heaven*'."

V12 – Mar. 12, 1921 - 'My Life, Jesus, if the souls who will Live in Your Volition will be Rainbows, what will be the Colors of these Rainbows of Peace?' And Jesus, All Goodness: "Their Qualities and Colors will be Fully Divine. They will Blaze with the Most Beautiful and Bright Colors, which are: Love, Goodness, Wisdom, Power, Sanctity, Mercy, Justice. The Variety of these Colors will be as Light in the darkness of the night, and by Virtue of these Colors, they will make the Day Arise in the minds of creatures."

V16 – Jul. 30, 1923 - "My daughter, every time the soul Enters My Will to pray, to work and to do other things, she receives as many Divine Colors, one more Beautiful than the other. Don't you see how much Variety of Colors and of Beauty nature contains? These are the shadows of the Variety of Colors and Beauty which My Divinity contains. But how do plants and flowers acquire such Variety of Colors? To whom did I give the office to Color so many different plants with so many different Colors? To the Sun. Its light and its heat contain Fecundity and Variety of Colors, such as to embellish the whole earth. And if only the plants exposes itself to the kisses of its light, to its embraces and to its heat, the flower blooms, and as though returning to It the kiss and the embrace, it receives the shades of the colors and forms its beautiful complexion.

Now, the soul who Enters into My Will symbolizes the flower which exposes itself to receive the kiss and the embrace of the sun, to receive the different Colors which the sun contains. And by returning them, she receives the different Colors of Divine Nature. She is really the Celestial Flower which the Eternal Sun, by the Breath of Its Light, has Colored so well as to Perfume Heaven and earth, and Delight with its Beauty the very Divinity and the Whole Celestial Court. The Rays of My Will empty her of what is human and Fill her with what is Divine. And so one can see in her the Beautiful Rainbow of My Attributes.

Therefore, My daughter, Enter often into My Will, in order to receive the Tones and the Different Colors of the Likeness to your Creator."

V20 – Feb. 11, 1927 - As I was in my usual state, my Adorable Jesus made me see many Strings in my interior—one close to the other, starting from a sphere, that was in the middle of these Strings. Under this sphere it was empty, and in that empty space there was my Sweet Jesus who, very often, touched those Strings and Played, but in such a Harmonious and Beautiful Way, that it cannot be described.

Then, after He Played His little Sonata, He said: "My daughter, these Strings are Symbol of the soul in whom My Will Reigns. I Myself Delight in Forming them and Arranging them all in order. Look at them—how Beautiful they are; each String has its Distinct Color, Invested with Light, in such a way that, all together, they Form the Most Beautiful Rainbow, All Radiant with Light. But do you want to know why each String has its Distinct Color? Because each one of them Symbolizes one of My Divine Qualities—that is, My Attributes."

V29 – May 16, 1931 - I am always at the start in my Dear Inheritance of the Divine Fiat. It seems to me that It Whispers to my ear: "As it was in the Beginning, I Shall Always Be, World Without End. You too, if you remain in My Divine Will, will be Always Equal to yourself; you will Never change action; you will Always do My Will. And the Variety of your actions you will be able to Call Effects of that First and Single Act of It, that Flows in your acts to make them one, and that has the Virtue of Producing, like sun, the Beautiful Rainbow of the Variety of Colors as the Effect of its Light, without changing its one act of Always Giving Light."

V29 – Jul. 6, 1931 - "...My Will Never ceases Its Continuous Act of Pouring Its Divine Goods over All, because It finds Itself in the condition of the sun that, even if human beings, or trees, plants or flowers, would not want to receive its light, that could communicate the many admirable effects that its continuous act of light contains—that is, sweetness, flavor, the Beautiful Rainbow of All Colors—it would continue its act of always giving light..."

V29 – Jul. 23, 1931 - "...The Virtue of Light is Marvelous and Miraculous; and while, by looking at It, one sees nothing but Light, inside It Possesses the Fullness of Goods. But It communicates these Goods not to one who only looks at It, but to one who lets himself be Touched, Molded, Clasped, Kissed with Its Ardent Kisses. As It Touches, It Purifies; as It Molds, It Transforms; as It Clasps, so It Encloses Its Light in the soul; and with Its Fecundity, that can Never remain idle, Its Work is Incessant, It Communicates the Beautiful Rainbow

of the Divine Colors and Beauties; and with Its Kisses It Infuses the Most Beautiful Truths and the Ineffable Secrets of Its Creator...”

V30 – Dec. 6, 1931 - “You Must Know that Our Will is All Eyes over the Happy creature who Wants to Live of It; and as she does her acts, It gives her Its Bath of Divine Light. This Bath Refreshes her and makes her feel the Divine Coolings; and since the Light, as It Forms, by Its Own Nature Produces Fecundity, Sweetness, Flavors, Colors Within Its Veils of Light, so, while in appearance it seems only Light, inside it hides so many Beautiful Riches and Innumerable Qualities, such that no other element can be said to be similar to it—even more, it is from the Light that they Implore the Fecundity and the Good that each Element Must Do in the order in which it was Placed by God.

“The Light can be Called the Soul of Created things—Symbol of Our Uncreated Light of Our Divine Fiat that Animates Everything. So, with this Bath of Divine Light, as she is about to do her acts in It, the soul feels herself being Sweetened, Balmmed, Fortified, Purified and Invested by the Beautiful Rainbow of the Divine Colors, that Render the soul So Graceful, Striking and Beautiful, that God Himself Feels Enraptured by a Beauty So Rare...”

V30 – Jan 3, 1932 - “It (the Divine Will) makes Itself Light of the thought, of the word, of the works, of the steps—but with a marvelous Variety. The thought takes on a Variety of Colors Animated by the Light; the word takes on another Variety of Colors; the action, the step, other Varieties of Colors. And as she repeats the thought, the word, the action, the step, Animated by the Light of My Will, so are the Hues of the Divine Colors Formed; and the Beauty of it is that they are all Colors Animated by Light.

“O! How Beautiful it is to see the creature Animated by the Rainbow of Our Divine Colors—it is one of the most Beautiful Scenes that she presents to Us and makes Us Enjoy.”

V33 – Jul. 8, 1934 - “The sun would be an image. If its light did not possess heat, sweetness, tastes, fragrances, colors, it would not be able to form the Beautiful Rainbow of Colors, the Variety of Sweetnesses, the suavity of its tastes and fragrances. If it gives them to the earth, it is because it possesses them, and if it did not possess them, it would not be true life of light, but light sterile and without fecundity...”

V34 – Mar. 26, 1937 - “This is why now she comes near the sun in order to know the secrets of its light, the Rainbow of its Colors, the virtue of its heat, its continuous miracle that it develops on the face of the earth, that only by touching it with its light, it vivifies, it Colors, it sweetens, it transforms. And O! how she loves the sun because it is hers, and she Loves even more He who has Created it...”

V35 – Nov. 12, 1937 - “...Such is the creature who Lives in Our Will. As she loves and adores, she forms the Beauty of her Rainbow of love in her works; the Variety of joys and sweetnesses of her good acts, which she jealously hides within her womb...”
