**Prayer of Consecration to the Hearts  
of Jesus, Mary and Luisa**

**Abba Father,  
In the Name of Jesus,  
By the Unity, Power and Love of the Holy Spirit  
Under the Mantle of Mary  
and through the Intercession of Luisa Piccarreta,  
the little daughter of the Divine Will,**

We enter into the Wound of the Sacred Heart of Our Lord Jesus Christ,  
With the Pierced Immaculate Heart of Our Lady, Mary, Mother and Queen,  
through the little heart of Luisa, pierced by a Ray of Light together with a Lance.

May Your Love which Compensates for All be found in us,  
Your children, that we may be Your Refuge, Your Hiding Place,  
and we may Love You with Your Own Love and Suffer only for You,  
becoming Your Contentment, Your Happiness, Your Reward  
for Everything You have Done!

**We consecrate our hearts to the Hearts of Jesus, Mary and Luisa!**

With the Operating Life of the Divine Will that Our Lady Possessed as Her Own,  
which Prepared the ground to Germinate the Celestial Savior,  
Your Divinity Opened Heaven and made the Just One, the Holy One, the Word,  
Rain Down into Her Womb. And so Your Life was Formed, human and Divine, to  
Form the Redemption of mankind.

Now with Sanctification, the Fullness of the Sun of the Eternal Will  
that Reigns in Our Lord and Our Lady,  
Reigns now in Luisa, the Newborn in the Divine Will.

May we, Your little children,  
in giving our human wills,  
echo the Acts of Jesus, Mary through Luisa,  
Loving, Praying, Repairing,  
so that this Sun Continue Its Course, giving to Everyone  
the Surprise of Its Light, of Its Love, of Its Life.

**We consecrate our hearts to the Hearts of Jesus, Mary and Luisa!**

In the Loving Acts of Luisa, the Sun of Your Will Penetrates into the Heavens,  
Investing Everyone, the Angels, the Saints, the Sovereign Queen,  
giving Its Kiss to All, Its New Joys, New Contentment's, New Love,  
and Pours Itself Mightily into the Womb of the Eternal One.

May we be one with Jesus and Mary through Luisa,  
that we too may Kiss, Love, and Adore  
the Divine Will Reigning in God Himself.

May we bring Everyone and Everything to God,  
that all may be for the Glory of God

and the Sanctification of all souls, past, present and future.

May the Kingdom Come Reign on earth and in the hearts of all.

**We consecrate our hearts to the Hearts of Jesus, Mary and Luisa!**

**May all be Accomplished and Completed in the Holy Divine Will!**

**WE BELIEVE! WE RECEIVE!**

**Fiat!**

**Amen!**
